

Dear Ladies and Gentlemen, animal lovers and friends of nature,

we would like to invite you to participate in the trade fair **Tier & Natur Munich/FFB 2011**. In 2010 the trade fair **Tier & Natur Munich/FFB** – animal and nature Munich/FFB - has again been extraordinarily successful. It is now not only established as one of the biggest and most popular trade fairs regarding all aspects of animals, their keeping and nutrition in Bavaria, but offers attractions for all family members as well. I would like to express my gratitude to all exhibitors, associations and institutions based in Munich, the greater Munich area, in Bavaria and the neighboring countries who participated in

On **May 28th and 29th , 2011** the **Tier & Natur** trade fair will take place for the fourth time at the Veranstaltungsforum Fürstenfeld in Fürstenfeldbruck near **Munich**. All different branches of the sector regarding animals and nature will be presented. Visitors as well as exhibitors would like to enjoy themselves, but good turnover comes in handy, too! Again a wide range of event programs and extra activities is offered: presentations, animal exhibitions, join-in actions and lectures are given.

Here are some of the **highlights**:

- the annual **national agility tournament** will take place at the trade fair
- the **Bavarian mantrailing championship** organized by the K9 search- and rescue dog centre [K9 Suchhundezentrum] will be held not only on the grounds of the Veranstaltungsforum Fürstenfeld but in the greater Fürstenfeld area
- a **cat presentation** will gather many feline fans
- "**Kaninhop**", a special kind of steeplechase and agility for rabbits will be presented for the second time in the southern German region at the **Tier & Natur** trade fair
- **presentations** and **join-in-actions** as well as a diversity of related **activities for children** will provide a wide range of interesting events for all family members
- **lectures** are given by veterinarians, non-veterinary practitioners, animal psychologists, experts on nutrition and many more
- a vast **exhibition** of preserved specimen of native species is shown
- numerous **animals for breeding or production** are presented and related information given
- as previously, the annual favorite **animal blessing** will draw many visitors and spectators from the greater Munich area

We would be more than pleased to welcome you as well as an exhibitor, referee or participant in the supporting programme at the trade fair **Tier & Natur Munich/ FFB 2011!** For more information and the registration form please refer to our internet-site [www.tiermesse.com](http://www.tiermesse.com) Feel free to contact us for further details and conditions regarding this trade fair.
